

## RM MIDNIGHT CHEYENNE 822

Date of Birth: 04/02/2014  
 Registration 1: CTI292811

Courtesy of Bear Davidson

Midnight Cheyenne is a huge bodied cow sired by none other than the legend himself, Drag Iron. She is out of a gorgeous black and white cow, Awesome Cheyenne. Laid back and easy going, she rules the roost simply due to her size. Tons of total horn on this girl. Each of her calves will be one of the largest calves born each year.
